

Successful poker ride

Stockton East Rotary had a highly successful First Annual Bicycle Poker Ride, a fundraiser, on Oct. 17. Forty-two bicyclists made the ride. Every stop on the circuit was at a winery in Lodi. Many riders cycled individually, but the participants included two groups: the Stockton Bicycle Club, shown above at Woodbridge Uncorked, and the newly organized San Joaquin Bicycle Coalition. The riders got rained on but their enthusiasm was undampened.
