Pure Potpourri from President Potter

I would like to thank Colleen Moreno for hosting our tour of the new Hilton Hotel. Lunch was great and there was plenty. The remodel of the hotel has really turned out fantastic and the rooms look very inviting.

These vocational tours really give us a chance to examine the various vocations that are in our club and share ideas on how things are done.

As the end of my term as President of our great club is coming closer, I just want to take the opportunity to thank everyone for their support. Everyone on my board of directors did an outstanding job. The program committee has to be commended for the outstanding programs that they arranged this year.

One area that I hope more members will avail themselves of is to attend as many of the district functions as possible. Many ideas are shared and whenever I leave an Assembly, or Conference I take away a little more knowledge about what Rotary is and does.

I would really encourage everyone to attend an International Convention. You can really start to grasp how important Rotary is to the World. At the International Conventions you meet other Rotarians just like us who are connected together and share the same ideals. Regular people who care about making this world a better place to live. We have been so blessed in this country it's hard to understand how people allow poverty, starvation and disease to exist in other parts of the World. Rotary is one organization that is trying to address these problems. We do it by people to people contact. Rotarians all over the world who care and are making a difference by helping improve the globe we call home...

I am so happy to be a part of this great organization.

Craig Potter

THE FOUR-WAY TEST of the things we think, say or do

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOOD WILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

In Memoriam

With all the sadness and trauma going on in the world at the moment, it is worth reflecting on the death of a very important person, which almost went unnoticed last week. Larry LaPrise, the man who wrote "The Hokey Pokey", died peacefully at age 93. The most traumatic part for his family was getting him into the coffin. They put his left leg in. And then the trouble started.
