THE LAWS OF ULTIMATE REALITY

 **Law of Mechanical Repair** - After your hands become coated with grease, your nose will begin to itch and you'll have to pee.

 **Law of Gravity** - Any tool, when dropped, will roll to the least accessible corner.

 **Law of Probability** - The probability of being watched is directly proportional to the stupidity of your act.

 **Law of Random Numbers** - If you dial a wrong number, you never get a busy signal and someone always answers.

 **Law of the Alibi** - If you tell the boss you were late for work because you had a flat tire, the very next morning you will have a flat tire.

 **Variation Law** - If you change lines (or traffic lanes), the one you were in will always move faster than the one you are in now. (continued on page 3)
